**Attachments:** WW Permitting Overview for RA +bg.docx; UIC Permitting Overview for RA\_v2+bg.docx

Darcy, I've got a very few minor comments on these permitting briefing papers from UIC and WW. Note that they don't follow a typical briefing paper format since it's an informative overview rather than teeing up an issue or decision.

I thought it'll be easier for the programs to make changes if they get our comments together, and suggest that you add your comments to mine and send it back out. What do you think?
